ROUTE SUGGESTIONS

To share our fascination and love for the area, our passionate team has compiled all the most beautiful cycle paths, the most scenic trails and the most spectacular Vespa routes of our region.

All tours are available for free and are 'self-guided', which means that you can follow the route suggestions at your own pace, stop when you like or, if you want to explore the area even more closely, adapt the route in any way that suits you.

Each of our bikes and scooters come with a phone holder already equipped. Scan QR-code or visit our website to find out more.
